

Location and Parking

60 Te Aroha Street, Hamilton East, Hamilton

Greetings from the team at Groundwork Associates and we look forward to sharing our meeting venue with you.

The Greenspace is located only 1.5 km from Hamilton CBD. There is some parking available on site and there is plenty of additional free parking on the Te Aroha street and on nearby Argyle or Bond Streets. Weekday traffic can be busy at around 8:30am and 4:30pm for about half an hour.

If you need specific directions from your location there is a link to Google maps from our [website](#) or contact the office. If you do require the disability park, please advise us and we will reserve this space for you.

Being green minded we encourage cycling, walking (15-20 minute walk to the CBD), public transport and carpooling. Take bus number 13 between the city and the university or the Orbiter bus stops nearby on Peachgrove Road (ring Bus It on 0800 4287 4563 for timetables).
