

Testimonials rolling in for The Greenspace

Open day coming soon

“Running workshops at The Greenspace was an absolute delight...”

“The Greenspace is a breath of fresh air as far as venues go...”

“A superb, off-site venue, whose staff will consistently treat you as a VIP...”

Glowing testimonials for Te Aroha Street meeting and event venue - The Greenspace - are rolling in, as clients enjoy its warm atmosphere, excellent technical support and superb customer service.

“Visiting the venue is the best way to appreciate its special qualities,” said venue manager Maureen Soanes who will host an open day at The Greenspace on Wednesday, September 22.

“As soon as you walk in the door, the subtle décor, native timber features and glimpses of garden create an

ambience that’s hard to beat.”

However, The Greenspace is not all about surface appearance. Behind the scenes, hard-working technology and equally hard-working staff are dedicated to making your event run smoothly.

The Greenspace is managed by Groundwork Associates, a consultancy specialising in facilitation, communication and event management. This connection brings an extra level of professional support to the venue.

Great food is a key component of The Greenspace experience.

“We’re very flexible and can use your favourite caterer if you wish,” said Maureen. “However, two of our favourites are Stellar Kitchen and Vanilla Café & Catering. Both use high-quality, seasonal and organic ingredients to create

delicious, nutritious food, tailored to your group’s needs.”

Strong green credentials add to the venue’s personality. Rainwater harvesting, on-site stormwater management, maximum use of natural light and ventilation and eco-friendly or recycled materials are features of the building’s award-winning renovation.

Comprehensive waste management procedures are in place and the site’s organic, permaculture gardens complete the picture. The Greenspace caters for small to medium-sized groups.

The two meeting rooms, adjoining decks and kitchen facilities can be hired in a variety of combinations to suit your event.
